SELECT THE WARM, NATURAL LOOK OF ROUGHSAWN CEDAR

Reynolds **Chesapeake** Select Premium Vinyl Siding has been beautifully crafted with a warm, natural cedar grain texture to replicate real wood. But unlike wood, it requires virtually no maintenance, which means no more weekends scraping, sanding and painting.

Reynolds **Chesapeake** Select also offers a low-gloss finish for an aesthetically pleasing look, deeper shadow lines, and a heavy-duty locking system for a tight, secure installation. A choice of distinctive profiles and a palette of popular colors give home owners numerous design options.
