REPLACEMENT WINDOWS

XACT™
7400

Single-Hung Window

Designed for remodeling, or replacement projects, the Xact 7400 single-hung window is ideal for any home requiring a high-performance product. The slim profile allows for ample sunlight and unobstructed views, which is further enhanced by performance upgrades such as a DP-50 or impact-resistant package designed for coastal regions.

CREATE A CUSTOMIZED LOOK

Enhance your home's spaces with a variety finish options and grid configurations.

7400

ENGINEERED TO PERFORM

- Welded, multi-chamber frame and sash
- 3-1/4" frame depth
- Heavy-duty weatherstripping
- Available frame styles: mounting fin, flange, finless
- Optional StormShield package includes impact-resistant glass with argon, LoE-366 and preserve film to protect the glass until installation is complete
- Optional DP-50 package

ENERGY-EFFICIENCY

Our dual-pane insulated glass package options help save on heating and cooling costs while enhancing home comfort.

CONVENIENCE AND STYLE

- Brickmould exterior profile offers a timeless appeal
- Dual-opposing, mortised recessed locks create a stronger, safer seal
- Integral lift rail for easy opening and closing
- Tilt-in bottom sash for easy cleaning
- Inverted-coil balances provide smooth operation
- Push-button vent stops enable ventilation without sacrificing safety and security
- Optional window operating control device for enhanced safety
